1. Meeting called to order by Ehler at 5:35 p.m.
2. Minutes from 6/7/2021. Table until next meeting.
3. Citizens' Concerns. None
4. Motion by Heal, second by Redmond to add to agenda: Little Libraries. Motion carried unanimously. Knutson introduced a Little Library Eagle Scout project to be located at Mormon Coulee Park by the shelter or bridge. Standards for the construction of little libraries shall include solid wood (no laminate) which is primed and painted prior to assembly. Consensus was that each library could be unique in design.
5. Public Works Report
 - a. Tennis Courts have received hot mix for cracks and sealcoat will be completed soon for both Arbor Hills and Terrace courts.
6. Tour to Mormon Coulee Park. The committee made a site visit to Mormon Coulee Park and reviewed the Eagle Scout project to install playground. Discussion over proposed placement of bench near playground resulted in a change of location. Consensus was to order bench in Forest Green color, which was the preferred standard color for future benches as well. Terry explained the planned widening of the access road to cul-de-sac, and the committee voiced concern over it being planned too wide. Terry would revisit the plan with Tim Candahl.
7. Adjournment. Assumed when committee left Mormon Coulee Park.

Respectfully Submitted, Christina Peterson
