

TOWN OF SHELBY

Spring 2022 Newsletter

A BIG THANK YOU TO OUR ROAD CREW!

Our road crew works tirelessly while most of us sleep so we can have safer morning commutes. At times, the roads are not perfectly plowed and may take a little longer than ideal. Please know our road crew works day and night to get the job done, sometimes for 24-36 hours straight. As a reminder, please park off the street as much as possible during a snow event, it's much appreciated. We look forward to warmer days and the plows coming off the trucks! Here's hoping mother nature cooperates after winter and we avoid any additional flood events. We will be moving forward with flood mitigation plans and will be continuing road repairs as soon as weather allows.

PET LICENSES

Is your pet registered for 2022? If not, please drop off your pet's most current rabies certificate and cash or a check to complete the purchase of their license. If not paid by March 31st, you will need to register your pets at La Crosse County. Late fees may be assessed by La Crosse County.

SHELBY FIRE DEPARTMENT SPOTLIGHT

Jerry Roesler (left) and Chief Tony Holinka (right) sat down with Ken Cooper to talk about what it's like to serve on a Volunteer Fire Department. Jerry Roesler has been serving on the Shelby Fire Department since 1966 and Tony Holinka has been serving on the Shelby Fire Department since 2003. Roesler and Holinka highlighted the amount of training that the members attend and how serving the community keeps them humble. The members have different "day jobs", belief systems, and backgrounds, but when it comes down to it, they're one team, with one goal in mind; to provide the best care possible on every single call. To hear the full interview, check out the Around River City podcast hosted by Ken Cooper.
