
YOU CAN MAKE A DIFFERENCE

Parks, trails and green-spaces all benefit from more trees and benches.

Together, we can support our natural environment for generations to come.

Here's to a happy, healthy today
and tomorrow!

DONATE A TREE OR BENCH TODAY

You can help to add beauty and a relaxing spot to rest and enjoy our
 parks, trails and green-spaces within the Town of Shelby - WI.

Our team will assist with the best tree choice for the right location.

We can also assist with ideal bench locations for both trails and parks.

TREE OPTIONS: STARTING AT \$200.00

Our tree options vary from year to year and the team will assist with what tree varieties will thrive in each location. Choices are subject to location and environment. Once the location and variety is agreed upon, our team will schedule the installation as weather and conditions allow.

We have multiple choices of deciduous trees .

Evergreen trees add year round color and beauty.

TRAIL BENCH: STARTING AT \$900.00

Our Trail Benches are 6 feet long. Made of precast concrete, these benches will wear well in the elements and are heavy and solid. The bench is reinforced with 3/8 inch diameter steel rebar. Once the location is agreed upon, our team will plan the installation as weather and conditions allow.

Bluff Trail Bench Style

Concrete base will be required for installation

PARK BENCH: STARTING AT \$2600.00

Our Park and Green-Space Bench is available in both 6 and 8 foot lengths. Arm rests are on each side and the bench is made of steel. Once the location is agreed upon, our team will schedule a concrete pad installation for the bench. After that is set, the bench itself will be scheduled for install at the site as weather and conditions allow. A plaque is available for an additional fee.

6 or 8 foot Metal Park and Green-Space bench.

Plaques are available at an additional price if interested.
